Party Barn Notes:

The table numbers shown on the diagrams are for Foxtail Barns use only, you may re-number/re-name the tables as you wish (please advise which of your table names/numbers correspond to Foxtail Barns table numbers).

Table numbers located on the dancefloor, will be removed in the evening for the dance floor.

Straight top Table

12 ft fits up to 6 guests seated along the back, and 1 at each end (this directly replaces table number 6)

18ft fits up to 9 guests seated along the back, and 1 at each end (this replaces table numbers 4, 6 & 8)

Round Tables

Can seat 6-8 guests in a horseshoe layout (keeping the front of the table clear), or 6-10 guests around the whole table.

Please discuss best position for wheelchair users directly with The Ashes.

Please advise Jenkinsons directly about special dietary requirements per table.

Table name/number holders are available for your use, and are a universal fit.

A silver plated cake stand (round 15" diameter, or square 15" square) and knife are available if required for the cake table.
